

Gurdjieff

TO KNOW - TO UNDERSTAND - TO BE

The Land House Group is holding introductory meetings open to those interested in exploring the Ideas of Gurdjieff and their application in daily life.

The meetings are held in the Berkeley-Oakland Area starting Thursday, January 25, 2018

The Land House Group was founded in 1965 by W. A. Nyland, a pupil of Gurdjieff from 1924-1949. Acting on instructions from Gurdjieff, he began teaching and established numerous groups in America.
